Subject: SUPPORT HB388, HB5415, AND HB5412 and to Oppose B16 AND HB5416

Dear Judicial Committee,

My name is Daniel Battistoni and I am writing to encourage you to and SUPPORT HB388, HB5415, AND HB5412 and to Oppose B16 AND HB5416.

HB5416 is laughable because criminals do not legally obtain their firearms. This would also hurt businesses of like Stratford Guns and Ammo in Stratford - a new gun shop, or ELG Firearms in East Hartford and the owners are Persons of Color just to name a few .

Gun control does not stop crime and only impacts law abiding citizens. If gun control worked, no crimes would be committed. Instead, these bills impact law abiding citizens and criminals have no regard for the laws. I encourage you to Oppose SB16 AND HB5416. Gun control does not work, gun free zones do not work. Limiting peoples' rights to defend themselves only enables criminals.

Supporting HB388, HB5415, AND HB5412 is in the best interest of the citizens of Connecticut. Evil people have attacked places of worship which. For someone to be attacked and left defenseless is inexcusable. I find it concerning that in a nation where lunatics are more frequently attacking places of worship, that we wouldn't join the rest of the nation in enabling citizens to defend themselves at church. Failure to pass these bills only shows Connecticut voters the true intentions of those who do not support these bills and show that they do not support the Constitution of The United States of America. HB 5415 an act concerning legal transfer of assault weapons and magazines, the legal gun owner has shown that they are responsible and have adhered to the law.

This is an election year and anyone who votes in favor of further restrictions on law abiding citizens will feel the full impact of our effort to VOTE YOU OUT OF OFFICE.

Cordially,

Daniel Battistoni
